Maximum Marks	2 Marks

Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1: Discover & Start	Stage 2: Learn & Practise	Stage 3: Revise & Plan
Actions <i>What does the customer do?</i>	- Struggles to understand a topic or has a doubt - Opens the EduGenie web app - Types a question in Ask a Question	- Enters a topic in Explain a Topic - Generates a quiz on the topic - Selects answers and uses Check Answer	- Pastes study content into Summary - Reads the short summary for revision - Follows the Recommended Learning Path
Touchpoint <i>What part of the service do they interact with?</i>	- EduGenie home page - Ask a Question box - Generate button	- Explain a Topic section - Generate Quiz section - Check Answer option	- Summary section - Recommended Learning Path section - AI-generated output on screen
Customer Thought <i>What is the customer thinking?</i>	"Can this clear my doubt quickly?" "Is this easier than searching many websites?"	"This explanation is simple to follow." "Let me test what I understood."	"Now I can revise much faster." "I know exactly what to learn next."
Customer Feeling <i>What is the customer feeling?</i>	- Curious but unsure - Hopeful of a quick answer	- Engaged and interested - Confident as answers are checked	- Relieved and organised - Motivated to keep learning
